**UPDATE FROM CHAMBER LEGISLATIVE REP. MARK LALLY**

**AN ACT TO AMEND TITLE 16 OF THE DELAWARE CODE RELATING TO ACCESS TO PRIVATE RESTROOMS.**

The 147th General Assembly passed a bill to allow access to private restrooms for persons suffering from Crohn's, colitis or similar conditions – assigned to Senate Health & Social Services Committee 4/2/15. The Act provided that persons with such conditions must provide written documentation, such as “an identification card that is issued by a nationally-recognized health organization or a state agency,” as proof of their condition when requesting use of a private facility. This bill follows up on that legislation by directing the Division of Public Health to develop such a standard identification card that may be used by affected persons in Delaware upon obtaining a signature from a licensed physician. It also permits the Division to include a disclaimer, in its discretion, that the Division plays no role in authenticating the physician's signature.

**CITY OF REHOBOTH BEACH - 2015 TRASH COLLECTION**
