Thanks for the Tourism Lesson!

Carol, Thank you for your help with teaching our tourism lesson. You bring a level of expertise and first-hand knowledge that few others could duplicate. Our students recognize that; they asked hard and very specific questions and you never batted an eye. I think that all JA Companies around the nation give students the opportunity to experiment with entrepreneurial ventures. I doubt that they all have the opportunity to talk to experts in fields which local economies thrive on. It was a very unique opportunity for them and I'm glad I could see it.

Have a great day,
Pat Daley, Development Manager

Beach Blast a Success!

Hi Meghan, I just wanted to let you know that we've had several online subscriptions already as a direct result from the beach blast we sent out last week. And it's only been about a week, or not even. We will definitely be taking advantage of your great beach blast email offer again!

Thanks, Tessa Shoup
Delaware Beach Life Magazine

Fax/Email Blast Brings Them In!

Meghan - Many thanks for sending out the fax/email blast. Amazing how quickly that worked! Within minutes of you sending, my phone started to ring. The blast definitely made my opening day a success. Juli added that the same thing happened Friday, everyone said they came because of the blast!!!

Juli Mills, Salad Factory in Dewey Beach

Funland Member Appreciation Night

Dear Ms. Everhart, I really appreciated your kindness to let all of my friends enjoy Funland, and including me on Saturday night. I had a blast! Thanks you so much! My friends said you rock! Yours Truly, Sean Lally

Thanks For Your Participation!

Dear Ms. Everhart:

On behalf of the Delaware Department of Transportation and the Transportation Trust Fund Chair, we would like to thank you for your participation on the Transportation Trust Fund Task Force.

Enclosed please find a copy of the Task Force Report that was delivered to the Governor and offices of the House and Senate on March 31, 2011. This report provides an accurate review of the shortfall in revenues that are needed to meet the projected costs for both the core program and capital projects along with an all encompassing list of potential revenue enhancements that the governing bodies can review and enact. Once again thank you for your participation.

Very truly yours,

Ted C. Williams, PE
Chairman of Transportation Trust Fund Task Force

Cleon L. Cauley, Sr.
Acting Secretary of Delaware Department of Transportation

Thanks For Your Help!

I wish to extend my sincere thanks to each of you, your respective Councils and Commissions, and your staff for their time, materials and efforts for yesterday and their time leading up to the visit of our guest from the Chengdu Province, China. I am pleased to report that everyone had a wonderful time and took back a lot of information. Everyone enjoyed the farmer's market, seeing the ocean for the first time and seeing the many historical homes throughout Lewes. And speaking of historical homes, please extend a very BIG thank you to Rachel for allowing us to walk through her home in Lewes. She went above and beyond and we greatly appreciate it. Once again, thank you for all your efforts.
