FEDERAL LEGISLATIVE ALERT –

JUST IN FROM CIEE (COUNCIL ON INTERNATIONAL EDUCATIONAL EXCHANGE)

J-1 Program Threatened

The current version of the Senate Immigration Bill would have devastating consequences for the J-1 Summer Work Travel program. The J-1 visa is a cultural exchange visa that allows university students from other countries to travel and work in the U.S. during their summer break. By classifying students as “workers,” not as cultural exchange participants, the immigration reform legislation would ultimately eliminate the Summer Work Travel program from which many businesses hire a portion of their seasonal staff.

Tell your elected representatives how Immigration Reform Bill S.744 will impact your business and urge them to take immediate action! Visit <http://cqrcengage.com/ciee/home> to take action now.
