**REHOBOTH BEACH NAMED AS ONE OF BEST FAMILY BEACHES ON EAST COAST-  
CONGRATS!**

The ABC Travel Guide, a series of travel guides for kids, scored Rehoboth four out of the five best family East Coast beach destination in 2014. Matthew Rosenberger, founder of ABC, lauded the city's beach, boardwalk and restaurants. During a recent trip to Rehoboth with his family, he noticed the Dogfish Head Brewpub had even created options for those under 21. "They had a very kid-friendly menu and homemade soda," he said. "They recognized they were a brewpub, but know they have families there." Chris Darr, personnel manager at Funland, is part of the fourth generation in the family-owned amusement park business. Many families return to Funland throughout their trip because it's within walking distance from the beach, he said. A few hours in the arcade doesn't break the bank either, he added. "With a lot of rides being two and three tickets, it's gonna last all week," he said. "Our motto is 'today's fun at yesterday's prices.'"
